LUKE: PREPARE THE WAY

Bible study is not a class you take but a rhythm you keep as a believer.

Day 5: Luke 7:36-8:15

Welcome to our year-long study in the Gospel of Luke! We are so excited you've chosen to walk through Luke's Gospel with us. For the next 9 weeks, we will be studying in a way that lends itself to traditional Bible study group/class models. Our "Prepare the Way" study covers Luke 2:39-8:15 and includes some significant moments in the earthly ministry of Christ. We highly encourage you to participate with a group. We'll be providing weekly study guides that include guided, personal instruction and group discussion questions. These guides can be used for personal reflection, within your Life Group or friend-groups, in classes hosted by the church, or even within the context of your marriage or family. God's Word is powerful, and it will speak to all of us at our point of need. God often uses the fellowship of others in our journey, as well—to encourage us, to challenge us, to sharpen us, to speak truth to us, and to be needed accountability in our spiritual walk.

As we prepare to "dig in" to this part of our Gospel study, this week we will watch a brief introduction video and read the Scripture covered by our "Prepare the Way" study. We'll unpack these passages more in-depth as the study progresses, but we encourage you to take this week to engage in a cursory reading as a way of getting familiar with the text. Below, we've included a suggested, daily breakdown of the Scripture. Additionally, we've included two (2) questions to contemplate alongside each days' reading:

- What stands out to me in this passage?
- What does this text reveal about God (the Father, Son, or Holy Spirit)?
