AS A REMINDER

In our study of Acts Part One: the Birth of the Early Church, we learned about the stoning of Stephen in chapter 7. Stephen's martyrdom set forth a ripple effect that spread the Gospel and the Church, just as Jesus foretold. In chapter 11, roughly 10 years past Stephen's stoning, Barnabus traveled to the church in Antioch and quickly felt called to enlist the help of Paul. We begin our study in Acts Part Two in chapter 13, roughly 5 years after Paul arrived in Antioch, in approximately 46-47 AD.
